5th Annual Conference of the Iraqi Pediatric Society

1 - 2 April 2021

Dear Colleagues and Supporters,

On behalf of the Executive Committee, it is our great pleasure to invite you to participate in the 5th Annual Conference of Iraqi Pediatric Society which will also be the our first Virtual Meeting and will be held between 1 – 2 April, 2021 under theme:

Taking Care of Our Future

In this conference, many distinguished speakers from all over Iraq will enlighten us on the recent developements in all major fields of pediatrics, introduce, share and exchange their research results and experience with other online participants so that we can all receive the latest updates for our respected fields.

Given the current global circumstances, we are sure that this Virtual conference will reach the expected success, and even further connect us to our future both in terms of child health and technology. Your active participation is now more invaluable than ever.

Finally, we would like to express our thanks to all the supporters.
